Printing & Folding Instructions

1. Print Settings

- Paper size: US Letter (8.5" x 11")
- Orientation: Landscape
- Scale: 100% (Do not fit to page)
- Double-sided: Flip on long edge

2. Print Pages 1 & 2 Only

- Print only pages 1 and 2 of this PDF (not this instructions page).
- Page 1 is the outside of the card (back cover + front image).
- Page 2 is the inside of the card.

3. Score and Cut

- Score the fold first: lay a ruler between the dashed marks above and below the card.
- Press a line along it with a blunt point, such as an empty pen.
- Then cut each side of page 1 (the outside) along its two arrows.

4. Fold the Card

- Fold the card in half along the scored line.
- The front cover image should be on the outside front.
- The back cover (Panda Greetings branding) should be on the outside back.
- The message should be on the inside right when you open the card.
